Open letter to OMAA Membership and Stakeholders

Re: Inclusion of Orientation and Mobility within the NDIA Pricing Schedule for 2026-2027.

The National Disability Insurance Agency (NDIA) has released the [pricing schedule for 2026-2027](#) which now lists orientation and mobility as a specific support item. As of 1 July 2026, Registered Orientation and Mobility Specialists within Australia will claim under the new support items. The OMAA is celebrating this inclusion and the hard work of so many people throughout the last 13 years. Without all of you, this would not have been achieved so thank you from the OMAA.

The support items are listed in Table 23 on page 35 of the Pricing Schedule (see below).

Support Item Number	Support Item Name	Unit	National	Remote	Very Remote
15_626_0128_1_3	Therapy - Orientation Mobility Specialist - Direct Service	Hour	\$156.16	\$218.62	\$234.24
