

Expressions of Interest: O&M Techniques Tutors

UNSW Graduate Diploma in O&M 2026

The University of New South Wales (UNSW) is seeking expressions of interest from Orientation & Mobility (O&M) Specialists (COMS preferred) to work as O&M Techniques Tutors, as part of the Graduate Diploma in O&M, 2026.

Thanks to everyone who has contributed previously, we look forward to working with many of you again. We also welcome new participants who are keen to get involved.

In 2026, the program will run two separate Intensives at the UNSW Sydney Campus in Kensington.

Term 1 Intensive: Monday 23rd February - Friday 6th March 2026.

Term 2 Intensive: Monday 25th May - Friday 13 June 2026.

This is a paid position, accommodation and transport may be provided when required by interstate staff; however, meals and other personal expenses are not covered.

As student numbers are still being finalised, we are yet to confirm staffing requirements.

O&M specialists do not need to work for the entire intensive blocks but can indicate weeks (or if local to Sydney, can indicate days) of availability. For further information or to register your interest, please contact me via email at f.gates@unsw.edu.au.

Kind regards
Felicity Gates ROMSA
Lecturer EF
