

Orientation and Mobility Instructor

- Full-time ongoing role (Part-time hours would be considered)
- Unique opportunity with most-loved brand
- Purpose-led organisation

We have an exciting opportunity to work with a small, passionate team of OMI's and OT's in a multi-disciplinary team.

About Guide Dogs SA/NT

At Guide Dogs, we put our clients and their families at the heart of everything we do. Every day, we empower our people to find solutions that will make the biggest differences to achieve independence, participation, inclusion and wellbeing.

We know that no two journeys are the same. We work side-by-side with clients and their families to make their way through the road ahead, with services tailored to suit them.

About the role

The role of the OMI is a specialist resource for Guide Dogs SA/NT and will demonstrate the skills and attitudes to develop OMI service offering to meet the needs of GDSA/NT clients and customers. Services will include assessment and implementation of programs to clients in hospital, home and community settings.

About You

The successful candidate will be highly self-motivated, with the ability to work independently and with minimal supervision to design programs and deliver services with a focus on functional outcomes.

- A tertiary qualification in Orientation and Mobility is essential and active membership of the OMAA would be well regarded.
- Working towards or holds Orientation and Mobility Specialist Certification (COMS).
- Strong client and customer service focus.
- Experience in rehabilitation and a thorough understanding of the impact of vision loss on individuals, their family and/or carers is essential.
- Experience with Neurological Vision Loss is highly desirable.
- Ability to design, implement, monitor and evaluate consumer focused vision rehabilitation programs by applying thorough and professional knowledge of allied health theories and methodologies.

- Highly self-motivated with the ability to establish credibility and gain the confidence of a wide range of people from diverse backgrounds is essential.

To access a copy of the Position Description please visit the [Guide Dogs SA/NT website](#). For a confidential discussion please call Janelle Edmonds, Clinical Services Operations Supervisor, on (08) 8203 8387.

Please ensure your application addresses the requirements of the role as described in the Position Description and email it to Job.applications@guidedogs.org.au.

Relevant Employment Clearances will be required.
