

## OMAA Online Symposium 2022

OMAA is pleased to share this SAVE THE DATE for our online symposium on the 30 September 2022. The symposium will be run from 10am – 6pm (AEDT) and will be hosted by NextSense Institute. This event will be online using the Zoom platform and registration is [open](#).

This year's symposium theme is: Future Proof- addressing future client needs

We are calling for creative presentations from O&M professionals that tie this theme to the topic areas below. You are invited to submit a presentation abstract to be part of this exciting event. We are seeking presentations of 20 – 25 mins duration (including 5 – 10 mins for questions) on one of the following topics:

Technology

Children

Older Adults

Cerebral Visual Impairment/Neurological Visual Impairment

### **How do I submit a presentation proposal or indicate interest?**

Complete the form on Page 2/3 of this announcement and submit the proposal according to the instructions by **Friday 29 July 2022**.

Warm regards

Ewa, Kelly, Nicola, Angela and Paula from the OMAA Professional Development Team
